BATTING CAGE TEAM ASSIGNMENTS

NOTE: There are 4 cages available - 2 have single tunnels & 2 with double tunnels. We do have a new one under construction (D) but it's not done yet.

Our cages are marked as A - B - C - D - E with A & B single tunnels & the other ones are double tunnels. Every team will get access with 2 tunnels for up to 40 minutes. IF a time slot says OPEN, it's first-come, first-serve. However, everyone will get assignments prior to your first games. Then it will be based on OPEN. All cages have pitcher protect screens. Teams need to supply cage balls & tees.
