Spring Sports at Branson Parks & Recreation

(BRANSON, MO, February 20, 2026) Branson Parks & Recreation is now accepting registrations for a wide variety of spring sports leagues and programs at the Branson RecPlex. Youth and adults alike can look forward to a full season of recreational opportunities, including soccer, volleyball, baseball, softball, and T-ball, with programs designed for all skill levels.

PeeWee Soccer is a co-ed instructional league designed to introduce children ages three and four to the fundamentals of soccer. The six-game season is coached by Branson Parks & Recreation staff members who focus on fun, skill development, and introducing young participants to a team environment through drills and games. Participants must be three or four years old by March 1. The registration deadline is March 10, and families who register by February 25 are guaranteed their preferred shirt size. The individual registration fee is \$60 for residents and \$55 for non-residents, with a discounted rate available for a second child. Team registration is also available, and teams must provide their own numbered shirts and coach. Games will be played on Saturdays from March 21 through April 25.

Youth Soccer leagues are available for boys and girls ages five through fifteen, with options for individual or team registration. The six-game season includes weeknight practices and Saturday games. Individual registrants receive a team t-shirt, while team entries must supply their own uniforms. Separate boys and girls divisions are offered for the U6, U8, U10, and U12 leagues, while the U15 league is co-ed. Participants must be age-eligible by March 1, and the registration deadline is February 24. Practices will begin the week of March 2, with the season running from March 21 through April 25.

Youth Volleyball is offered for students in kindergarten through eighth grade. Participants may register individually or as a team, and the season consists of six games designed to build volleyball fundamentals and teamwork. All individual registrants receive a t-shirt, while team entries must provide their own uniforms. Registration closes on March 10, practices will begin the week of March 23, and games will be played on Fridays and Saturdays from April 10 through May 16. Admission for volleyball events is \$3 for spectators ages sixteen and older and \$2 for ages twelve through fifteen, while players, coaches, and children eleven and under are admitted free.

Adult Softball leagues are offered for players ages sixteen and up, with men's recreational and co-ed divisions available during the spring session. Teams will play six regular-season games followed by a single-elimination tournament. Teams are responsible for supplying their own game balls, which must meet minimum specifications. Registration for adult softball closes on March 10, with games scheduled on Thursday evenings from March 19 through April 30. A mandatory manager's meeting will be held on Tuesday, March 10 at 6:00 p.m. at the Branson RecPlex. Admission pricing follows standard RecPlex rates.

Tiny Tot T-Ball is available for children ages three and four and focuses on introducing the basics of baseball in a fun, supportive setting. Games are offered on both Tuesday and Thursday evenings, allowing families to choose the schedule that works best for them. Participants must be age-eligible by March 1, and registration closes on March 23, with early registration required by March 16 to guarantee shirt size. Tuesday games will be played from April 7 through May 12, while Thursday games will run from April 9 through May 14. Admission pricing applies for spectators, while players and coaches are admitted free.

U6 T-Ball and U8 Coach Pitch youth baseball and softball leagues are offered in the spring through summer for boys and girls ages five through eight. Participants may register as individuals or as part of a team, with team entries required to supply their own numbered shirts. Games will be played at the Branson RecPlex, and each division will follow an eight-game schedule, with teams able to register for additional games as space allows for an additional fee. Participants must be age eligible by March 1, and registration closes on March 17. Practices will begin the week of March 23, with the season running from April 6 through May 22, and division games will be played throughout the week. Standard RecPlex admission rates apply, with players, coaches, and children ages eleven and under admitted free.

U10 and U12 Baseball and Softball leagues are offered for boys and girls in grades three through six through team registration only. Teams must supply their own numbered shirts, and games will be played throughout the week at the Branson RecPlex. Practices may be scheduled upon request as space allows. Registration for these leagues closes on April 14, with the season running from May 4 through June 17. Standard RecPlex admission fees apply.

For more information or to register for any spring program, visit the Branson Parks & Recreation online catalog at www.bransonparksandrecreation.com/648/Programs-Special-Events or register in person at the Branson RecPlex. Questions may be directed to the RecPlex at (417) 335-2368.
