Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of work to be performed under this contract. 11. **Interpretation of Contract.** The contract shall be construed according to the laws of the State of Missouri.

12. Termination of Contract.

A. **Termination for breach.** Failure of the Contractor to fulfill Contractor's obligations under this contract in a timely and satisfactory manner in accordance with the schedule and description of work set forth in **Exhibit A** shall constitute a breach of the contract, and the JMUC shall thereupon have the right to immediately terminate the contract. The JMUC shall give written notice of termination to the Contractor by one of three different means: U.S. Postal Service Mails; email transmission; or by hand delivering a copy of the same to the Contractor; or may

The date of termination shall be the date upon which notice of termination is hand delivered to Contractor or the third day following mailing of the notice of termination, whichever first occurs. In the event of termination for breach, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, parts, materials, and reports or other materials prepared by the Contractor under this contract shall at the option of the JMUC become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials; provided, that the Contractor shall not be relieved of liability to the JMUC for damages sustained by the JMUC by virtue of any such breach of the contract by the Contractor.

B. Right to terminate in the absence of breach. Either party may terminate this contract for any reason, by serving notice of intent to terminate upon the other party by the means specified in paragraph A of this section. Such notice shall specify the date of termination, but in no event shall either party terminate the contract under this provision upon less than thirty (30) days' notice to the other party; provided, that the parties may mutually agree to waive the thirty (30) day requirement and to shorten the time for notice of termination, in the event of termination in the absence of breach.

C. Surviving Terms. Notwithstanding any provisions to the contrary, provisions pertaining to liability and indemnity shall survive the termination of this contract.

13. Non-discrimination in Employment. In connection with the furnishing of supplies or performances or work under this contract, the Contractor agrees to comply with the Fair Labor Standard Act, Fair Employment Practices, Equal Opportunity Employment Act, and all other applicable federal and state laws, and further agrees to insert the foregoing provision in all subcontracts awarded hereunder. 14. Provisions by Law Deemed Inserted. Each and every provision of the law and clauses required by law to be inserted in this contract will be deemed to be inserted herein and will be read and enforced as though it were included herein, and if through mistake, or otherwise any such provision is not inserted, then upon the application of either party the contract will be physically amended to make such insertion or correction.

15. Tax-Exempt. The JMUC of Branson is exempt from Sales Tax and Federal Excise Tax.

16. Jurisdiction. This agreement and every question arising hereunder shall be construed or determined according to the laws of the State of Missouri. Should any part of this agreement be litigated, venue shall be proper only in the Circuit Court of Taney County, Missouri.

17. Severability. If any term or provision of this agreement is held invalid or unenforceable, the remainder of this agreement will be considered valid and enforceable to the fullest extent permitted by law.

18. Entire Agreement. This agreement contains the entire agreement of the parties. No modification, amendment, or waiver of any of the provisions of this agreement shall be effective unless in writing specifically referring hereto, and signed by both parties.

19. Use of Electronic Signatures. The Contractor agrees to the electronic execution and delivery of any agreement, contract or purchase order resulting from the acceptance of a bid and that any electronic signatures including facsimile transmission are the same as handwritten signatures for the purposes of validity, enforceability and admissibility.

20. Missouri Immigration Law Affidavit. Pursuant to §285.530.2 of the Missouri Revised Statutes, the JMUC as a condition of a contract or grant in excess of \$5,000 requires the Contractor to affirm by sworn affidavit and provision of documentation the Contractor has enrolled and participated in a federal work authorization program with respect to its employees who work in connection with the contracted services. To that end, the Contractor will provide a signed affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contract.

____ If this box is checked, then the requirement for an Immigration Law Affidavit does not apply because the dollar value of the contract is less than the \$5,000 minimum.

21. Assignment. The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation), without prior written consent of the JMUC thereto. Provided, however, that claims for money due or to become due to the Contractor from the JMUC under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of such assignment or transfer shall be furnished in writing promptly to the JMUC. Any such assignment is expressly subject to all rights and remedies of the JMUC under this agreement, including the right to change or delete activities from the contract or to terminate the same as provided herein, and no such assignment shall require the JMUC to give any notice to any such assignee of any actions which the JMUC may take under this agreement, though JMUC will attempt to so notify any such assignee.

22. Performance. It is understood by the parties that time is of the essence in this contract.

23. General Independent Contractor Clause. This contract does not create an employee/employer relationship between the parties. It is the parties' intention that the Contractor will be an independent Contractor and not the JMUC's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Missouri revenue and taxation laws, Missouri workers' compensation and unemployment insurance laws. The Contractor will retain sole and absolute discretion in the judgment of the manner and means of carrying out the Contractor's activities and responsibilities hereunder. The Contractor agrees that it is a separate and independent enterprise from the public employer, that it has a full opportunity to find other business, that it has made its own investment in its business, that this agreement shall not be construed as creating any joint employment relationship between the Contractor and the JMUC, and the JMUC will not be liable for any obligation incurred by the Contractor.

24. JMUC Benefits. The Contractor shall not be entitled to any of the benefits established for the employees of the JMUC nor be covered by the Worker's Compensation Program of the JMUC.

25. Liability and Indemnity. The parties mutually agree to the following:

- A. In no event shall the JMUC be liable to the Contractor for special, indirect, or consequential damages, except those caused by the JMUC's gross negligence or willful or wanton misconduct arising out of or in any way connected with a breach of this contract. The maximum liability of the JMUC shall be limited to the amount of money to be paid by the JMUC under this contract. All of the provisions in the agreement are subject to the terms of Missouri Sovereign Immunity as set forth in section 537.610.2 and 537.610.5 of the Missouri Revised Statutes.

The insurance coverage shall include, but need not be limited to, the following coverage's in the amounts specified. Such insurance must indemnify the JMUC to the fullest extent possible under the laws of the State of Missouri.

- A.
